AMENDMENT UNDER 37 C.F.R. §1.312

Honorable Commissioner for Patents  
U.S. Patent and Trademark Office  
2011 South Clark Place  
Customer Window, Mail Stop  
Crystal Plaza Two, Lobby, Room 1B03  
Arlington, VA 22202

Sir:

Pursuant to 37 C.F.R. §1.312, enclosed herewith is a Supplemental Application Data Sheet that corrects the serial number of one of the three foreign applications from which the instant application claims priority. The error in the serial number was pointed out to applicants by the International Bureau on July 12, 1996, in PCT/US95/16542. A copy of the communication is attached hereto. Israeli application 112 002 was inadvertently identified as application 112 022.

Unfortunately, this error persisted when PCT/US95/16542 entered the national stage in the U.S. as application 08/860,082, which application is the parent of the instant application.

In re of Appln. No. 09/933,814  
Amendment under 37 C.F.R. §1.312

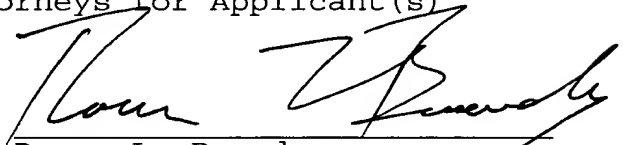

It is submitted that the Supplemental ADS merely corrects a typographical error and requires no substantial amount of additional work on the part of the examiner. Entry of the corrected foreign priority information is earnestly solicited.

The issue fee is paid separately herewith.

Respectfully submitted,
